EDUCATION, CERTIFICATION, PROFESSIONALISM

Certification

Through its multifaceted work in education, training, and certification, the International Fluid Power Society strengthens and advances professional careers in the fluid power workforce. The Society is committed to facilitating and promoting the advancement of technology and professionalism of the fluid power and motion control industry through awareness, education, and certification.

IFPS certification tests provide an objective, third-party assessment of an individual's skill level and are recognized industrywide. Certification offerings keep pace with changing fluid power and motion control technologies. Certifications are available at various skill levels for engineers, specialists, technicians, and mechanics and are valid for five years at which time recertification is required. Individuals who master an IFPS certification are issued a credential that is recognized throughout the industry.

Membership

IFPS membership provides the benefit of IFPS's 50+ years of expertise and supports a non-profit organization dedicated to the unique interests of fluid power engineers, specialists, technicians, and mechanics throughout their careers. The IFPS offers technical fluid power training, certification review training sessions, seminars, web seminars, and customized training.

Certification Designations Available

CFPE
Certified Fluid Power
Engineer

CFPS
Certified Fluid Power
Specialist
(Must Obtain CFPHS,
CFPPS)

CFPECS
Certified Fluid Power
Electronic Controls
Specialist

CFPHS
Certified Fluid Power
Hydraulic Specialist

CFPPS
Certified Fluid Power
Pneumatic Specialist

CFPMECT – *in development*
Mobile Electronic Controls
Technician

CFPIECT – *in development*
Industrial Electronic
Controls Technicians

CFPMT
Certified Fluid Power Master
Technician (Must Obtain
CFPIHT, CFPMT, & CFPPT)

CFPIHT
Certified Fluid Power
Industrial Hydraulic
Technician

CFPMHT
Certified Fluid Power Mobile
Hydraulic Technician

CFPPT
Certified Fluid Power
Pneumatic Technician

CFPMM
Certified Fluid Power
Master Mechanic
(Must Obtain CFPIHM,
CFPMHM, & CFPPM)

CFPIHM
Certified Fluid Power
Industrial Hydraulic Mechanic

CFPMHM
Certified Fluid Power Mobile
Hydraulic Mechanic

CFPPM
Certified Fluid Power
Pneumatic Mechanic

CFPMIH
Certified Fluid Power
Master of Industrial
Hydraulics (Must Obtain
CFPIHM, CFPIHT, & CFPPC)

CFPMHM
Certified Fluid Power
Master of Mobile Hydraulics
(Must Obtain CFPMMH,
CFPMHT, & CFPPC)

CFPMIP
Certified Fluid Power
Master of Industrial
Pneumatics (Must Obtain
CFPPM, CFPPT, & CFPPC)

CFPCC
Certified Fluid Power
Connector & Conductor

CFPSD
Fluid Power System
Designer

CFPAI
Certified Fluid Power
Accredited Instructor

CFPAJPP
Certified Fluid Power
Authorized Job
Performance Proctor

CFPAJPPCC
Certified Fluid Power
Authorized Job Performance
Proctor Connector
& Conductor
