2020 Tech Directory

All of the above will be published. Please use general, company information. We are not responsible for wrong information due to illegibility.

GET NOTICED IN THE DIRECTORY SECTION!

- BOLD LISTING _____ Company name and address _____ \$50.00
- B&W LOGO _____ To be placed above your listing _____ \$100.00
- COLOR LOGO _____ To be placed above your listing _____ \$150.00
- ONLINE COMPANY LINK _____ Hyperlink your company listing to your website from our digital issue _____ \$195.00
- 1 INCH color column ad in listing _____ 2.95" w x 1" h _____ \$295.00
- 2 INCH color column ad in listing _____ 2.95" w x 2" h _____ \$495.00
- 3 INCH color column ad in listing _____ 4.55" w x 3" h _____ ~~\$995.00~~ \$650.00

CLOSING: OCTOBER 23, 2020

(Any form received after closing date will not be published)

NAME: _____ TITLE: _____ INSERTION # _____

If you purchase a logo, please email a high-resolution logo (300 ppi) to art@fluidpowerjournal.com along with the completed listing form, or you can fax the form to 610.923.0390.

NEW ADVERTISING OPPORTUNITY!

FACES OF FLUID POWER

The July 2021 issue will feature a special opportunity. Faces is a highly stylized section designed to showcase the "Face" of your organization. We want to tell your story to get to the core of the business' success in the industry. Categories are exclusive so reserve now to ensure you are the face everyone is talking about.

WOULD YOU LIKE TO BE CONTACTED ABOUT THIS OPPORTUNITY? YES NO

- Amplifiers (Valves, Solenoids)
- Cardholders, Racks
- Control Relays
- Controllers (Closed Loop)
- Custom Electrical Control Systems
- Drives – Variable Frequency Drives
- Electric Motors – AC
- Electric Motors – DC
- Electrical Actuators
- Enclosures
- Fieldbus Technologies – ASI
- Fieldbus Technologies – DeviceNet
- Fieldbus Technologies – Ethernet IP
- Fieldbus Technologies – Interlink BT
- Fieldbus Technologies – Profibus DP, ProfiDrive
- Fieldbus Technologies – Sercos
- Flowmeters – Variable Area
- Human-Machine Interfaces (HMI's)
- Joystick – Analog Signal
- Joystick – Integral Amplifier
- Joystick – Non-contacting (Hall)
- Joystick – Potentiometer
- Light Curtains
- Lights, Illumination
- Potentiometers – Linear
- Potentiometers – Pushbutton
- Potentiometers – Rotary
- Power Supplies AC/DC
- Pressure Gauges
- Process Logic Controllers (PLC's)
- Proportional Valves – Hydraulic
- Proportional Valves – Pneumatic
- Screw Terminals
- Servo Valves
- Signal Converters – Current/Voltage
- Signal Converters – Voltage/Current
- Software
- Stepper Motors
- Switches – Fluid Level
- Switches – Limit
- Switches – Photoelectric
- Switches – Pressure
- Switches – Proximity
- Switches – Push Button
- Switches – Selector
- Switches – Temperature
- Transducers – Accelerometer
- Transducers – Current Transducer
- Transducers – Flow
- Transducers – Force, Load Cell
- Transducers – Position
- Transducers – Position (1Vpp)
- Transducers – Position (Absolute Encoder)
- Transducers – Position (EnDAT)
- Transducers – Position (Incremental Encoder)
- Transducers – Position (Magnstrictive – Analog Signal)
- Transducers – Position (Magnstrictive - SSI)
- Transducers – Position (Magnstrictive)
- Transducers – Position (Potentiometer)
- Transducers – Pressure
- Transducers – Temperature
